THE BATTLE RAGES

It does not take a rocket scientist to understand that we are now facing a moral crisis in our Nation. With the upcoming election things could get worse for Bible believing Christians. Some of the issues we are facing in the near future are:

1. Hate Crimes Legislation to ultimately silence Christians.
2. ENDA--The Employment Non-Discrimination Act would turn every work place into a center for homosexual acceptance.
3. Fairness Doctrine. This Bill would mandate equal time in the media for opposing views.
4. Radical Federal Judges. The move is on by those who cannot

win at the ballot box to legislate their viewpoint from the Judicial bench by appointing radical Judges who support their life style.

5. Religious Symbols. The removing of crosses, scriptures and other religious symbols from our society

6. Abortion. America seems to be experiencing a wake up call on this barbaric act yet the left is seeking every opportunity to keep this massacre legal.

It is vitally important that Americans exercise their privilege to vote and elect those officials who best represent their Christian views.

YADKIN COUNTY RALLY

Recently the good people of Yadkin County voted to replace two of their Commissioners who refused to pray in the Name of Jesus. As an act of retaliation the Commissioners placed alcohol on an upcoming ballot vote scheduled for September 9th. A rally is scheduled for Saturday September 6th at the Yadkin County Courthouse. This rally will bring together churches and individuals from across Yadkin County who oppose this is-

sue. We would encourage you to meet us at ten o'clock for this important rally. A large crowd is necessary to show opposition to the liquor issue. If you believe that "Wine is a mocker and strong drink is raging" (Proverbs 20:1) then we need your support. We would ask you to fill a car or church bus and join us for this upcoming rally.

We would like to bring thousands of petitions to Raleigh at our rally next March in support of the Marriage Amendment. We need your help. Please go to our web site at www.returnamerica.org and sign up in support of the Marriage Amendment. We also need for you to tell others to do the same. We would encourage Pastors to exhort their congregations to sign the petition. A large number of petitions supporting the Marriage Amendment would benefit our efforts.

RALEIGH RALLY

In each newsletter we continually encourage you to mark March 3rd 2009 on your calendar. We will again come to Raleigh from across our State and ask our Legislators another time to do the will of the people. A Marriage Amendment is five years overdue! The people of North Carolina have stated in numerous polls that they desire an opportunity to vote on the Marriage Amendment. We are asking thousands of people to take a day of vacation and let their voices be heard loud and clear on this issue. The family is the basic component of our society. As goes the family so goes the church and nation. North Carolina is the only state south of Tennessee and East of Texas without a Marriage Amendment. Florida will vote on this issue in November. We should all be embarrassed that our State stands alone among our neighboring States on this issue. We ask two major things of you next March.

1. Come and bring as many people with you as possible.
2. Plan on speaking with your Legislators individually and encouraging them to support the Marriage Amendment.

Our special guest speakers will be Dr David Barton of Wallbuilders and Attorney David Gibbs III of The Christian Law Association.

The purpose of Return America is to build a network of churches and individuals to educate, motivate and mobilize citizens in a united effort in promoting Judeo-Christian values; to educate and influence government in these principles upon which our state and nation were founded.
