YOUR VALUES ARE SHOWING!

The revivalist Charles Finney stated long ago; "The Church must take right ground in regard to politics. Politics are a part of a religion in such a country as this, and Christians must do their duty to the country as part of their duty to God...He (God) will bless or curse this nation according to the course they (Christians) take (in politics).

People ultimately end up in political positions because of people. Our leaders don't walk into political offices without the sanctioning of the people they supposedly represent. This is why it is vitally important that Christians vote Biblical values. In the truest sense of the word Christians must not put people into office whose core values are opposed to their own Biblical values. We are greatly disturbed and grieved that truth has fallen in the streets and is being trampled upon by many who claim to endorse Biblical values. How can one read; "For thou hast possessed (created) my reins (inward parts) : thou hast covered me in my mother's womb" (Psalm 139:13) and vote for a candidate who favors killing the unborn. I read recently where an individual can be fined \$100,000,00 and be given up to one year in prison for killing an eagle. Our Government states that the same individual can kill his unborn

child with the blessing of the Government and receive tax payers money for doing so. When a candidate, any candidate cannot figure out that God begins life at conception that candidate is simply imitating the people who placed him in his political position else he would not be there. Whom will we send to represent the unborn? Beautifully wrapped packages with no content are empty of product, hope and change. Our Representatives are reflections of us. What will we look like after next Tuesday? Have we become so spiritually illiterate that we are incapable of making life and death decisions in this Nation. Is the Bible a book to be followed are just a relic of the past to show off on Sunday? A national holocaust is taking place and we have candidates in place who are willing to end it. Will we be like Ahmadinejad and pretend it does not exist are will we rise to the defense of the unborn? Nearly 50,000 individuals have already been tortured to death and charged to the account of this Nation. Remember we send the politicians to represent us and the unborn! Our vote counts but also reflects our values or the lack thereof.

The purpose of Return America is to build a network of churches and individuals to educate, motivate and mobilize citizens in a united effort in promoting Judeo-Christian values; to educate and influence government in these principles upon which our state and nation were founded.

THE IGNORANCE OF MODERN THINKING

Contrary to much modern thought those who went before us believed that the spiritual should always be the 1st choice in Government. Consider the following:

DELAWARE CONSTITUTION 1776

Every person who shall be chosen a member of either house, or appointed to any office or place of trust...shall...also make and subscribe the following declaration, to wit: "I,_____do profess faith in God the Father, and in Jesus Christ His only Son, and in the Holy Ghost, one God, blessed for evermore: and I do acknowledge the holy scriptures of the Old and New Testament to be given by divine inspiration"

MASSACHUSETTS CONSTITUTION 1776

"All persons elected to office must make the following declaration: "I do declare that I believe the Christian religion, and have firm persuasion of its truth"

NORTH CAROLINA CONSTITUTION 1776

"That no person who shall deny the being of God, or the truth of the Protestant religion, or the divine authority of the Old or New Testaments, or who shall hold religious principles incompatible with the freedom and safety of the State, shall be capable of holding any office or place of trust or profit in the civil department within this State."

NEW HAMPSHIRE CONSTITUTION 1784

"[Provides that no person be elected governor, senator, representative or member of the Council] who is not of the protestant religion,"

TENNESSEE CONSTITUTION 1796

"No person who denies the being of God or a future state of rewards and punishments, shall hold any office in the civil department of this State."
