## **THREE MARRIAGE AMENDMENTS IN NOVEMBER**

Three crucial Marriage Amendments will be voted on in November. The states of California, Arizona and Florida will decide if they will go on record endorsing marriage between one man and one woman. The California Supreme Court recently overturned the will of the people who had by a margin of 62% defined marriage in Biblical terms. Once again the people will vote on the definition of marriage. Recent polls in California reveals that the people are almost evenly divided on the marriage issue. Unfortunately Google's

cofounder and President of Technology, Sergey Brin has come out against the Marriage Amendment in California. Mr. Brin joins others like McDonalds who believe that God's original creation needs to be revised and revisited. We would encourage our readers to find a new search engine. We have recently learned that [www.goodsearch.com](http://www.goodsearch.com) is at least worthy of our attention. They will donate a percentage of their income to your favorite cause.

## **PLEASE GIVE US YOUR ATTENTION !**

We desperately need for you to go to our web site ([www.returnamerica.org](http://www.returnamerica.org)) and sign our Marriage Amendment Petition. We would like to present thousands of petitions encouraging our Representatives in Raleigh to support the rights of the people of this State to vote on the Marriage Amendment. Our Rally will be held on March 3rd of next year. We also encourage you to plan on attending the Rally and bring as many people with you as possible. Dr. David Barton of Wallbuilders and Attorney David Gibbs III will be our guest speakers. The Rally will be held directly behind the Legislative Building on Halifax Mall. The Rally will begin at 10:00 AM. We believe we will have thousands to attend. We desperately need to make a statement to those who represent us.

## PACIFYING THE ENEMY

Iranian President Mahmoud Ahmadinejad has stated on several occasions that Israel should be wiped off the map. He has also denied the Holocaust. During his recent visit to the United Nations some religious organizations hosted him to a special dinner. These included the Mennonite Central Committee, the Quakers, the World Council of Churches and Religions for Peace. This is not the first time they have showed their ignorance. In 1933 the Mennonites wrote to the Fuhrer to express its "deep gratitude for the powerful revival that God has given our nation through your energy" and wished Hitler a "joyful cooperation in the up building of our Fatherland through the power of the Gospel." It is known that the church has taken a hard line against Israel. We are reminded of the Words of our Lord; "And he spake a parable unto them, Can the blind lead the blind? shall they not both fall into the ditch?" (Luke 6:39) This reminds us of another politician who would like to sit down with Ahmadinejad and "rap". One can only imagine the approach Teddy Roosevelt would take with such a thug. At San Juan Hill Roosevelt led the charge and was first in the trenches of the enemy. How about Ronald Reagan and his treatment of Khaddhafi or "Mr. Gorbachev, tear down this wall!" and how about "I'm paying for this microphone." May God give us leaders in this atomic world with a backbone to confront those who seek our destruction.

## WORDS OF WARNING

I stood in the pulpit of the Berean Baptist Church nearly two years ago and warned about the crisis of this hour. We blame our present condition on both parties in Washington and there is much blame to go around. However it simply does not register and people do not get it! If one should interpret the Scriptures correctly they would understand that we are experiencing God's judgment on our land. We have told Him that He is no longer welcome on these shores. We have taught our children that their historical roots are found in the top of a coconut tree. Much of the present generation knows very little about why our forefathers came to these shores. Only a Spiritual Awakening and not politics will bring us out of the present dilemma. After God sent judgment after judgment upon Israel and they refused to repent He sent His final warning; "Prepare to meet thy God O Israel." (Amos 4:12)
