VOTE FOR MARRIAGE AMMENDMENT

We would encourage you to go to our web site (returnamerica.org) and place your vote for The Marriage Amendment. We want to bring thousands of signed petitions to Raleigh next March at our Marriage Rally and present them to our Legislators. It is important that the people of North Carolina be given the opportunity to voice

their opinion. Since some of our Legislators have not yet got the message we want to place in their hands thousands of "voices" from the citizens of our State. Your vote and the vote of others is vitally important! Please go to our web site immediately and cast your vote for traditional marriage.

Dr. Ron Baity, President

WASHINGTON BECAME THE PATTERN

In a few months the citizens of this Nation will watch the swearing in of its new President. At the beginning George Washington set the pattern for all Presidents to follow. Since the city of Washington had not become the Capitol President Washington's swearing in occurred in New York City. Because of his love for God and His Word George Washington choose to be sworn into office with his hand upon the Holy Bible. He started a tradition which thus far continues until this day. As his inauguration concluded Washington bent down and kissed the Bible. Knowing the importance of placing God in the political world Washington led the Congressmen down the street to St. Paul's Chapel for a two hour service.

In his first inaugural address, President Washington unashamedly referred to this nation's need of correctly placing God in His appropriate place when he said; "The propitious smiles of Heaven can never be expected on a nation that disregards the eternal rules of order and right which Heaven itself has ordained."

In Washington's farewell address he again acknowledged God's place in this nation: "Of all the dispositions and habits which lead to political prosperity, Religion and morality are indispensable supports---And let us with caution indulge the supposition that morality can be maintained without religion."

MAKE PLANS NOW TO COME TO RALEIGH

As we travel across this State we are constantly asking people to take a day of vacation and come to Raleigh on March 3rd 2009. We believe thousands will come and send a strong signal to our Legislators that the people of North Carolina desire to vote on the Marriage Amendment. North Carolina will eventually suffer some severe consequences if we are not given Constitutional protection with a Marriage Amendment. We are asking each of you to arrange your schedule to not only attend the Marriage Rally but spend time with your elected Representatives and urge them to support The Marriage Amendment.

We are honored to have two special guests to challenge us in Raleigh on March 3rd. Dr. David Barton of Wallbuilders and Attorney David Gibbs III will be our very special guest speakers. These dear men are seasoned in the fight for religious freedoms and will bring a wealth of knowledge with them.

We believe this meeting will be of historic proportions. The majority of the people of this State have been silent long enough. This event gives honorable people the opportunity to voice their opinions and support traditional marriage as defined as a relationship between one man and one woman. It is time our voices are heard! We are asking people from the mountains to the coast to come to Raleigh in such numbers that everyone in our Legislative Building will acknowledge that we have come to town to bring about change. You can make it happen! Please inform your contacts of this momentous event and ask them to partner with you in Raleigh on March 3rd.

YADKIN COUNTY

Return America partnered with Pastors and concerned citizens in Yadkin County recently to bring about change on the Commissioners Board. The efforts were successful. However it has become very obvious that those who were defeated are now retaliating. They have voted to put liquor by the drink on a ballot in September. This vote will cost the tax payers of Yadkin County nearly thirty thousand dollars. Return America is now working with Pastors and concerned citizens in Yadkin County to defeat this liquor referendum. A large rally is scheduled for September 6th. It will be held in downtown Yadkinville. At our last rally in Yadkin County we had around 3000 people who attended. We certainly desire to match that number again. We need your help! Schedule yourself to attend this important rally and send a signal to the Yadkin County Commissioners that "Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise." Bring a bus load from your church and stand up for the cause of Christ!
