## THE WILL OF THE PEOPLE DOESN'T MATTER?

A recent court decision in California has thumbed it's nose at the will of the people. In the year 2000, nearly 62% of the citizens of California voted on Proposition 22 which states; "Only marriage between a man and a woman is valid or recognized in California." Now California joins Massachusetts in defying God's plan for the family as set forth in the beginning of creation. On a level playing field those opposed to traditional marriage will

lose every time. The only way they can get their liberal agenda passed is through judicial activism. What a tragedy that the very foundations of our existence are being trashed by black robes.

*Dr. Ron Baity, President*

## THE WILL OF THE PEOPLE MUST MATTER!

In North Carolina, the majority of the people would vote for a Marriage Amendment. A Marriage Amendment has once again been introduced into the North Carolina Senate by Senators Forrester and Smith. The Bill reads in part; "Marriage is the union of one man and one woman at one time. This is the only marriage that shall be recognized as valid in this State. The uniting of two persons of the same sex or the uniting of more than two persons of any sex in a marriage, civil union, domestic partnership, or other similar relationship within or outside of this State shall not be valid or recognized in this State. This Constitution shall not be construed to require that marital status or the rights, privileges, benefits, or other legal incidents of marriage be con-

Legislature. We have taken thousands to Raleigh in support of the Amendment, yet they refuse to hear the will of the people. We will be bringing thousands back to Raleigh on March 3, 2009. It is our goal to have thousands more than attended our Rally in March of 2007. We are asking people across our State to plan on a day of vacation and come to Raleigh, March 3rd, and let our voices be heard, loud and clear. Enough is enough! It is time for the moral people of North Carolina to take their State back. It has been hijacked from us by a few power hungry activists who do not share our Biblical values. Representatives are suppose to be just that! Representatives are suppose to represent the will of the people. All polls reveal that the will of the people is

the people of North Carolina want change, the will of a few can be taken away at the ballot box. The Marriage Amendment is five years overdue! Now it is the responsibility of the voters of North Carolina to let their voices be heard. If you believe in Biblical marriage then schedule yourself to report for duty on March 3, 2009. We are asking each of you to visit with your representatives and encourage them to support the Marriage Amendment.

Return America has worked with and encouraged the leadership of Yadkin County to make a political change. With the exception of one County Commissioner, the Yadkin County Board of Commissioners stated that "No more Christian prayer would be offered in Yadkin County." The will of the people of Yadkin County has now prevailed. Two of the Commissioners opposed to praying in the Name of Jesus were voted out of office. This is indeed a tremendous victory for Bible believing Christians! Our thanks to the dear people of Yadkin County for taking back your county.

*The purpose of Return America is to build a network of churches and individuals to educate, motivate and mobilize citizens in a united effort in promoting Judeo-Christian values; to educate and influence government in these principles upon which our state and nation were founded.*

### 2009 RALLY IN RALEIGH

Once again we will be assembling in Raleigh for another Marriage Rally. The date will be March 3, 2009 at 11:00 AM. We anticipate thousands to be present. Please spread the word and schedule yourselves to be present.

### THE CALIFORNIA DECISION

Unlike the State of Massachusetts decisions, the California decision allows same sex couples from anywhere in America to be married in California. The end result will be a challenge to our Statutory Law. Without the Marriage Amendment same sex marriage will eventually become legal in our State. This must be stopped and stopped immediately by the will of the people! The farther these unbiblical actions are allowed to progress the more difficult they will be to overturn. Dear friends lets get on board and make some Biblical changes in our State!
