A PICTURE OF THINGS TO COME

Sodom and Gomorrah would have been proud of the California Legislature and State Governor Arnold Schwarzenegger last week. Governor Schwarzenegger signed into law one of the most unbiblical pieces of Legislation in modern times. They have now turned the Public School Systems of California into sexual indoctrination centers. Children as young as five years old will be taught that transsexuality, bisexuality and homosexuality are now protected behaviors. Those who oppose those sins can be charged with sex-

ual harassment. The bill is further disturbing when we learn that terms such as, Mom and Dad, Husband and Wife, Male and Female will be replaced with Partner #1 and Partner #2. Beyond these travesties boys will now be allowed to use girls restrooms and girls will be allowed to use boys restrooms. God had an urban renewal program for the twin cities of Sodom and Gomorrah and it appears He may have another program for California.

TEACHERS UNION OF 1892

A teachers union in 1892 prepared a book on education in America. They recognized that education was nurtured in the lap of the Church. However in time the Church voluntarily relinquished control to the State. The summary of their study is quite revealing: "Whether this decision was wise or not is not our purpose to discuss, further than to remark that if the study of the Bible is to be excluded from all State Schools, if the inculcation (repetition) of the principles of Christianity is to have no place in the daily program, if the worship of God is

to form no part of the general exercises of these public elementary Schools then the good of the State would be better served by restoring all schools to church control." (David Barton-Education And The Founding Fathers) Abraham Lincoln our 16th President made a weighty statement when he said; "The philosophy of the school room in one generation will be the philosophy of government in the next."

I am honored that we have a President who in many ways has spoken unashamedly about his Christian faith. However according to Cal Thomas, our President speaking on Al Arabiya television made the following Theological blunder. "I believe in Almighty God, and I believe that all the world, whether they be Muslim, Christian or any other religion, prays to the

same God. I believe the God that the Muslim prays to is the same God I pray to. After all, we all came from Abraham. I believe in that universality." We are very troubled to hear such verbiage because nothing could be farther from the truth. Since the Muslims do not believe that God had a Son then it would be impossible to pray to the same God. Some of us

still believe that all Christian prayer must be exercised in the Name of Jesus. That truth has become the ongoing battleground here in North Carolina. Jesus is not just another religious leader but The Eternal Son Of The Living God before whom all knees will eventually bow!

The purpose of Return America is to build a network of churches and individuals to educate, motivate and mobilize citizens in a united effort in promoting Judeo-Christian values; to educate and influence government in these principles upon which our state and nation were founded.

NORTH CAROLINA MARRIAGE AMMENDMENT

Thousands came to Raleigh March 6th of this year to show their support for an Amendment to our State Constitution defining marriage as between one man and one woman. Our Legislators incorrectly reported that our current Statutory Law provided the needed protection for the citizenry of our State. A liberal Judge in Iowa recently struck down Iowa's Defense of Marriage Act and ordered the state to award marriage licenses to same-sex couples. In a matter of time North Carolina will face the same issues. Return America is committed to bringing enough pressure to bear on our Representatives that they will hear our voices and represent our just cause accurately. Return America is already planning another large rally at Halifax Mall during the long session of our Legislature. Please remember this large event for March 2009.
