RETURN AMERICA RALLY

March 6th of 2007 is scheduled to be a very important day here in North Carolina. Return America is hosting a rally with the emphasis placed on the Marriage Amendment. For three years some of our leadership in the Legislature have refused to bring this Amendment to a floor vote. We are assembling people from across our state to make a statement to our legislators. We are encouraging every concerned citizen from the mountains to the coast to cast a vote for the Marriage Amendment by attending this rally. We are asking Pastors to bring their people and Administrators to bring their Christian School grades 7-12. The rally is scheduled to begin at 11:00 am on Halifax Mall behind the Legislative Building. Dr. David Gibbs of the Christian Law Association will be our special guest speaker. Dr Gibbs will also be speaking on Monday evening at the Clarion Hotel located at 320 Hillsborough Street in Raleigh. The North Carolina Christian School Association will be hosting the Monday evening session and a Legislative Breakfast at 7:00 am on March 6.

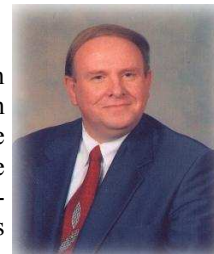

There is a slight possibility that the Legislature could decide favorably on the Marriage Amendment before our rally. We would exhort them to do so! However there are many issues which Return America is defending including praying in Jesus' Name. Therefore Return America will have the rally rain or shine on behalf of our Judeo-Christian values. These are defining moments in our Nation and our future here in North Carolina very much depends on our willingness to get involved.

During the Month of February we will send everyone on our mailing list a map and parking information pertaining to the rally. Should you have any questions please feel free to call us at 336-407-6406 or email us at returnamerica@hotmail.com.

We are encouraging people to call us by February 6th and give us the potential number of people who will be attending. This will enable us to better prepare for the rally.

Wisdom From Charles Finney

This famed Nineteenth Century revivalist was on target when he stated; "If there is a decay of conscience, the pulpit is responsible for it. If the public press lacks moral discernment, the pulpit is responsible for it. If the church is degenerate and worldly, the pulpit is responsible for it. If the world loses its interest in Christianity, the pulpit is responsible for it. If Satan rules in our halls of Legislation, the pulpit is responsible for it. If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is responsible for it."

Rally 2007

We are asking people from across our State to participate in our "Family Values Rally" in Raleigh, March 6th, 2007 at 11:00 am. Dr. David Gibbs from Christian Law Association will be our guest speaker. The Marriage Amendment has languished in committee for three years. We need a large voice of people to challenge our Legislators on this issue. Please bring your Christian

your name to the list.

Schools and Churches to this important event. We have several Churches and Schools already committed to attend and would like to add

The Girl That Got It Right

The Rutherford Institute informs us that the high school senior whose microphone was turned off after she began speaking about her faith in Christ will have her day in court. When Brittany McComb began reading a speech that contained Bible verses and references to God and her faith in Jesus Christ during her commencement speech on June 15, 2006 officials with the Clark County School District turned the microphone off. It is evident that her first amendment rights were violated and we applaud her for standing up for her constitutional rights. This is a far cry from what some of us experienced during our school days when we had prayer and Bible study.

Our Monthly Financial Support

We are very thankful for the many churches who have allowed us to present Return America. We would be honored to schedule a service in your church. We are also thankful for the following churches who placed Return America in their missions giving this month.

1. Fairview Baptist Church, Greensboro, NC.
2. Baux Mountain Baptist Church, Germanton, NC.
3. Mount Hope Baptist Church, Greensboro, NC.

These churches join a growing number of churches and individuals who are supporting Return America with their financial gifts and prayers. On behalf of our entire board we say a sincere "Thank You."

The purpose of Return America is to build a network of churches and individuals to educate, motivate and mobilize citizens in a united effort in promoting Judeo-Christian values; to educate and influence government in these principles upon which our state and nation were founded.
